Makita

LIFESTYLE SERIES

BUILT TO EXPLORE

EXPLORE THE COLLECTION

Get outside with Lifestyle Series, a new series of cordless products that operate within the LXT / XGT system. Lifestyle Series Products feature advanced technology, delivering maximum performance and efficiency for the outdoors. Makita offers hundreds of products within the 18V LXT / XGT 40v max system so you can create your own adventure.

From the job site-home and the outdoors, Makita offers a wide range of cordless products ready to use anytime, anywhere. When will be your next outdoor trip?

FROM JOBSITE TO THE OUTDOOR

The freedom from the cord and increased productivity. With unsurpassed quality and performance, Makita's LXT® Cordless Products lower the cost of ownership and maintenance. Makita provides a solution for a variety of applications, all in one cordless system, so that users can get the job done quickly and easily.

The LXT® System is the world's largest compatible cordless tool system powered by 18V slide-style batteries. Purpose-built motors, battery technology, and enhanced communications work together to deliver unmatched power, speed, and run time. Get maximum performance and efficiency with LXT Products for every trade
